## PROFILE

Just after the electrification of Ranchi in the year 1947, HINDUSTHAN ELECTRIC HOUSE, came into existence with an objective to provide quality electrical products and services to the people of Ranchi

Industrialization of Ranchi started with the coming of Heavy Engineering Corp. Ltd, Mecon Ltd (formerly Hindustan Steel Ltd), Usha Martin Industries Ltd., Waxpol Industries Ltd., and many small industries.

The 28<sup>th</sup> State of India, JHARKHAND came into existence on 14<sup>th</sup> Nov. 2000 and Ranchi was made the capital of the state. Our state is the richest state considering the natural resources – full of minerals such as Coal, Mica, Iron ore, Bauxite, Dolomite, Lime stone etc.

HINDUSTHAN ELECTRIC HOUSE, is one of the leading suppliers of electrical products in and around Ranchi.

We are registered with Sales Tax Department having TIN no. – 20940400399 & Excise Department having ECC no. AAAPH5840DXD001.
